WHAT WE DO

Epic cables offers our customers access to a wide range of electrical items that include: all cabling and cable accessories, conduit and accessories, all makes of plugs and switches, distribution boards and circuit breakers , general industrial electrical products and switchgear. Transmission & distribution products, enclosures, power and hand tools, electrical testers, etc

With a Level 1 BBBEE rating, we offer competitive prices because of our procurement advantages.

Should there be a product that we do not have in stock, we will procure it for you within a very fast turnaround time, normally within 24 hours. Our well trained staff can help you find the perfect product from our wide range of products to get your next electrical project done fast, efficiently and within budget.

We serve all economic sectors, including construction, electrical contractors, Eskom contractors, all types of industries and direct to the public.

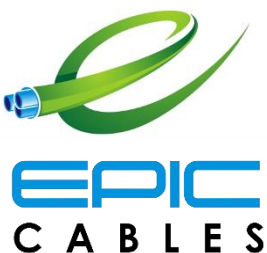

COMPANY VALUES

Safety Policy

- All employees who form part of Epic Cables are important. They are important to the company and to their families. Every worker has the right to a safe, healthy working environment and the right to return home everyday without injury. We should all strive to a safe and healthy workplace. Every employee is responsible for carrying out his work in a safe and healthy manner for himself and for his fellow workers.

Quality Policy

- All work is fully supervised and our staff have been given the authority and responsibility for ensuring that the requirements of quality service are implemented and maintained.
- Our Quality Policy is aimed at achieving the following objectives:
- To effect the best possible workmanship using the best products offered by our suppliers.
- To provide prospective customers with a high level of confidence and maintain that confidence by satisfying the customer's requirements.
- To increase quality consciousness and workmanship in all company personnel.
- To ensure that a contract is carried out within the agreed time scale.
- Through realizing these objectives we are confident that we will improve our productivity and thus increase our profits.

COMPANY VALUES

- Operates in accordance with the highest standards in all relationships with customers, suppliers, environment and the community.
- Fosters a climate that encourages innovation and diligence amongst staff and rewards accordingly.
- Fully supports the concept of skills development and Black Economic empowerment provided that it is based on full participation and not on window dressing.
- Promotes individual empowerment through grass roots job creation, skills Development and educational development.
- Fully participates in the provision of social responsible community programs that edify, assist and develop local community programs as and when required.
- Conduct responsible business practices that subscribe to national and international governance and compliance which ultimately benefit customers, suppliers and community.
- Pursue quality in all dimensions of our business.
- Provide adequate training facilities and programs.
- Apply financial controls which ensure effective management, monitoring and Measurement.
- Endeavour to continuously offer competitive pricing and energy saving.
